The meeting was called to order by Stephanie Shryock

Minutes from the previous meeting were approved

BOARD COMMITTEE REPORTS:

Nominating Committee -

* Holt, Denise, Trissa, Jenn Schoolfield, Heather

* Need to create a short nominating form? Would be good to have a brief bio of each person - name, affiliation with Hough, child/children's age, sport, their profession, other community involvement. That way we've got some ability to look for diversity in the people, interests and the skill sets being brought to the board.

* Current suggestions - VP Sponsorship Skip Notte, Communications Shelly Notte, Secretary Beth, Treasurer Erica, Membership Denise, PRES _____.

Golf - we have a title sponsor, hole-in-one, beverage; some swag bag items collected. If we are able to proceed with the tournament, it may be that our only revenue is the registration/entry fee this year.

Honoring seniors - Lesley had a great thought and suggestion to find a way to acknowledge and celebrate our seniors during this time apart and what may end up being the premature end to their high school careers. Ideas - Autumn's help with photos/videos; quotes from underclassmen about their senior teammates; local publications, social media; include other clubs and organizations who may want to honor their seniors, as well.
